YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Your name, coming together.

Option 1 keeps your own black-and-white sleeve look: your photo by the water, and ocie · elliott sliding together between your two faces, over the line from your bio, met by chance in a Salt Spring Island café.

02 With the lights down.

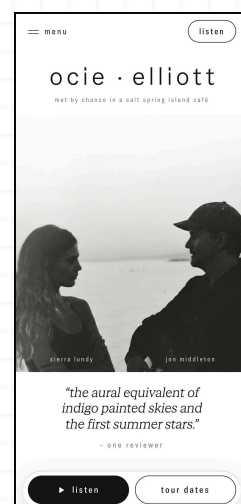

Option 2 sets your 2022 single's title over one of your own photos, relit to a warm night, with the CR-V sessions and Sierra's line about its acoustics in the liner note.

03 Of all things, love and connection.

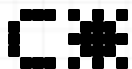

Option 3 is the light-leak film colour of a place, with the small moon in your photo turned into the button that plays what remains. Listening is one tap in every option.
